A New Year always gets a
welcome
Which is probably its due,
But we must revere the Old
One
As it passes in review.

Nothing can replace the friend
ships
Now recorded on each page
Which like many of life's
treasures, — 8 —
Grow more valuable with age.

We wish you all the happiness
The New Year can bestow,
But most of all we hope for this
That our friendship grow and
grow.

A Happy and Prosperous
New Year
To You
and You
and especially YOU.

CARMANGAY

The United Church parishage was the scene of a quiet wedding on Saturday Dec. 21st at 1 p.m. when Hazel Marie daughter of Mr. and Mrs. E. L. Nowlin of Carmangay became the bride of Edwin Lundberg also of Carmangay. Rev. Harden officiated.

The bride was charming in a street length dress of rose crepe with rose accessories. She was attended by her sister-in-law Mrs. E. Nowlin Jr. who was smart in a pale blue dress worn with navy accessories.

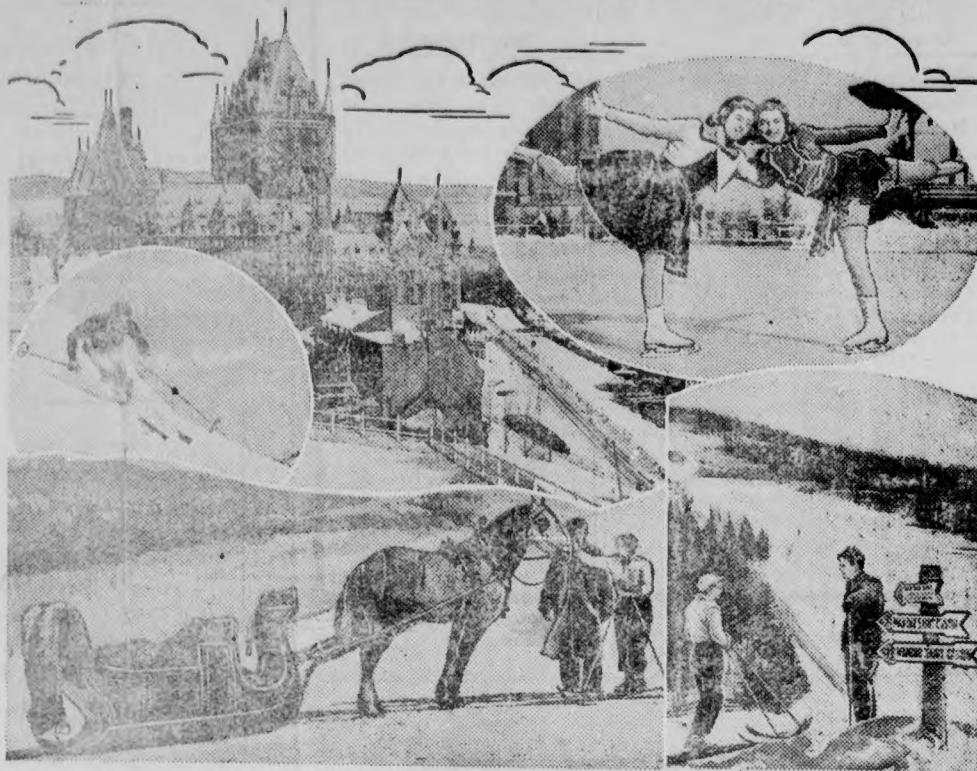

The groom was supported by E. Nowlin Jr. brother of the bride.

Immediately after the ceremony the young couple left for a short honeymoon in Lethbridge. On their return they will reside in Carmangay.

A large crowd attended the Christmas concert held in the United Church on Monday, Dec. 23 sponsored by the Sunday School. Treasure's report showed donations \$7.25 and collect on \$12.00.

Rev. Harden acted as chairman for a miscellaneous program consisting of plays, recitations, songs, and pantomimes. The arrival of Santa Claus with a treat for the girls and boys caused much excitement. The program closed with the National Anthem.

WINTER SPORTS IN OLD-WORLD SETTING

Old Quebec City, whose four centuries of history have made it a favorite stopping place for summer tourists, has achieved equal prestige with the winter visitor in less than half a decade! The secret of this short cut to popularity lies in the sweeping growth of the ski habit, Quebec's glorious winter climate, its facilities for winter sports, and the snow-clad hills of Lac Beauport, 10 miles distant.

This year, with increased numbers of Canadians and Americans pointing their ski tips toward Quebec and Lac Beauport, the highlights of the Chateau Frontenac's gay winter sports season promise to shine more brightly

than ever. Headquarters for the famous Ski Hawk School and its equally famous instructor, Fritz Loosli, the popular Canadian Pacific hostelry will feature a gay programme of skating, hockey, curling, tobogganing, ski-joring, sleigh-driving, and skiing on the historic Plains of Abraham. The annual Dog Derby is scheduled for the third week in February.

Connected by regular bus service from the Chateau Frontenac, Lac Beauport is a model ski development. It possesses a handsome new chalet, thrilling downhill runs, slalom courses and jumps of professional calibre. Mont Saint Castin, with twin slalom runs 2,200 feet long, 100

to 300 feet wide, and served by a ski-tow, is a rendez-vous for beginners and experts alike, while its neighboring Mont Tourbillon is reserved for the more seasoned ski artist. Here is located a professional ski jump, a downhill run of 4,000 feet and a 1,000-foot slalom run. Lac Beauport is also home of the scenic Sky Line Trail.

Ideal weather and snow conditions are the main assets of the Lac Beauport snow-bowl. Deep, dry powder-snow offers the most favorable of ski conditions throughout the winter, snow depths registering as much as six feet, and providing good skiing from December till April and sometimes early May.

Looking Ahead

As we enter 1941 let us face the facts of our aims in life as good Canadian citizens.

It is agreed that our one thought should be to win the war. There are however several parts to that answer which we should not overlook.

We should keep well and happy. Without health and happiness our contribution to the nations war effort will be of no consequence. Even those who do enlist are a drag on our system if they, through no fault or their own are sick and unfit for duty.

Happiness is a state of mind and can be controlled. Be happy and make others happy, your lot, no matter how unsatisfactory could be much worse. Do not say or do anything to offend.

Here is an old motto—Look up and not down—Look ahead and not back. This should be our watch word for 1941—to see in what manner we can be of service and happiness to others. If we do this we will be doing our part in bringing about more ideal conditions in Canada and for each other.

SOIL EROSION

The Agricultural Department of The North-West Line Elevators Association has just published a well-illustrated bulletin dealing with the subject of water erosion of soils. Its purpose is to draw attention to a problem which has, to a large extent, been overlooked by the general public. It has been easy to arouse public interest in the problem of soil drifting, and control practices have met with a large measure of success. Water erosion may be quite as damaging as soil drifting on individual farms, but, since the injury to the soil is often less obvious, it is apt to be neglected.

The bulletin is well illustrated and written in popular style. It deals in a general way with the causes of erosion, with the losses suffered, and with control measures. It contains seven excellent illustrations of fields in the Prairie Provinces which are suffering serious damage. In addition, there are four pictures generously supplied by the United States Soil Conservation Service.

Since this is the only publication of its kind in Canada, it should be read by every prairie farmer. All Junior Club members and high school students should secure copies, since "they shall inherit the earth," or as much of it as is not washed or blown away!

Copies may be obtained from the nearest grain buyer of any line elevator company associated with the work of this Department, or by writing to the Agricultural Department, The North-West Line Elevators Association, Winnipeg.

We wish all our readers a Happy and Prosperous New Year, and trust that it may bring "peace in our time."

GREYHOUND

THE NEW YEAR AGAIN

And the glory and peace of that wonderful season and all that it means should again enfold us.

War, strife and brute force cannot destroy it. It springs from the finer things that cannot be crushed. It enshines in the hearts of all decent men.

This year, we in the British Empire have special cause for pride. We are standing on the ramparts of civilization and slowly, but surely, overcoming the forces that are trying to tear down what has been built up through years of trial and error.

Then let us have a happy new year and be proud of the honor we enjoy amongst all the decent peoples of the world.

This has been a difficult year for us and for you. We have had many unusual things to contend with in serving you, but we have done our best, in the spirit of "Carry on" --- and we thank you now for your co-operation and consideration.

And in the true spirit of hope for the future and goodwill to all, we send you the old fashioned greeting -----

A HAPPY AND PROSPEROUS NEW YEAR.
